

UNIVERSITET

Danmarks Tekniske Universitet

Utvexling høst 2019 / Byplanlegging master

ANKOMST

Ble du hentet på flyplassen?

Nei

Ble det arrangert et velkomstprogram for nye studenter?

Ja

Kan du fortelle litt om velkomstprogrammet?

I didnt attend the welcome program, it was pricy but seemed very comprehensive. Many activities of all kind where planned for new students.

Deltok du på språkkurs i forkant av undervisningsperioden?

Ja

AKADEMISK

Hvilke emner/faglig opplegg fulgte du?

I attended 5 in total. 2 with 7.5 credits and 3 with 5 credits.

- 1. 42274 Sustainable Development Indicators and Sustainable Urban Development E19*
- 2. 42282 Smart Cities E19*
- 3. Sustainable Cities in the Nordic and Baltic region*
- 4. 42349 Sustainability chall*

Nei

Kan du spesifisere endringene?

Engasjerte du deg i foreninger og/eller idrettslag?

Yes, I am participating on the SDGs student Ambassadors for the Sustainable Development Goals

BOLIG

Hvordan skaffet du deg bolig?

Private search, not student housing

Hvor mye betalte du per måned? (cirka)

5000 dkk

PRAKTISK

Var støtten fra Lånekassen tilstrekkelig?

It helps but living expenses in Denmark are higher. Public transport is expensive and added to rent it sums much more than the prices in Stavanger.

Hvilke forsikringer tegnet du i forkant?

None

Hvordan ordnet du:

Mobil/nett?

included in rent

Bank?

Kept my norwegian account.

PERONLIG UTBYTTE

Hvordan vil du oppsummere oppholdet med minimum tre ord?

I loved it.

Hva opplevde du som mest utfordrende?

Only the living expenses, university is very easy going and very international. Is very technical compared to UiS, but that was really fine. It is also super demanding and a lot of group work, but if you are committed, it will go well.

Vil du anbefale andre studenter å reise på utveksling?

Totally.
